

Oak Ridges Trail Audit Project

The Oak Ridges Trail Association is seeking an individual to complete an audit of the Oak Ridges Moraine Trail. The audit will be a visual inspection the entire trail, checking for compliance with our organization's adopted standards and guidelines for trail construction, maintenance, access, signage and marking. Deficiencies will be recorded, along with recommended responsive actions. During the audit, opportunities to verify trail documentation, such as distances, mapping, reporting processes and use agreements, will be responded to.

Time Period: March 1, 2008 to August 1, 2008

Requirements: Contractor must have their own vehicle, handheld GPS unit with mapping software, and digital camera

To request a copy of the detailed audit project description, including tasks, reporting requirements, schedule, remuneration, and application process, contact the Oak Ridges Tail Association as follows:
